Fantastic service, agent Dania Perry is the best around. - *Dr. Jeffrey Miller*

Having been a trial attorney for 41 years I am somewhat demanding and difficult to please. Dania and Rick were great to work with and met all of our expectations and exceeded what we expected from our real estate agents. - *Roger L. Ridenour*

Dania brought a sense of “doability” to the whole transaction. We had several properties to sell before we purchased our beautiful home in Yacht Club Estates. Her enthusiasm, hard work, commitment and follow-up (before and after the sale) was what made the entire process and SUCCESS. - *Leo and Ronnie Higley*

A Great Realtor, A Great Broker and a Great Staff. - *Richard & Norine O'Neil*

Dania Perry is the most knowledgeable, professional, competent and pleasant real estate professional I have ever had the pleasure to work with. I have referred other people to her, and I look forward to many more years of working with her in the future. - *Dr. Ivan Wolfson*

Dania Perry tops all the realtors we have ever worked with. - *Dr. Kirby & Bonnie Blankenship*

Dania was a total professional through out the purchase of our home. We spent 8 months from first offer to closing. Dania was the key to keeping this sale together. We spoke to her almost on a daily basis and she returned our calls at all hours, weekends, no matter. She knew how much we wanted this house and she stayed vigilant until the end. We will highly recommend Dania to everyone. - *Richard and Diane Brogan*

Dania Perry is superior in every aspect of her job. - *Cheri Staley*
